UNIVERSAL FOR
 DECK MOUNT
 APPLICATIONS
 (PUL-3DGM)

MOUNTING INSTRUCTIONS

Before starting the installation make certain you have the correct bracket (sold separately except for the universal bracket which is included) for your application.

Install the UltraLITE by following the assembly instructions provided with the brackets and check for security.

Important: **DO NOT** over tighten mounting screws or nuts. This could cause permanent damage to the light or bracket. Use appropriate hardware for mounting.

PATTERN SELECTION

Because of the variety of configuring options see separate sheets for detailed instructions
