

# Dodge Charger Bracket Kit For R4 Series 4" Round GEN3 Light

ERDREBZBKDC

## Important Information:

- Warning devices are strictly regulated and governed by Federal, State and Municipal ordinances. These devices shall be used ONLY on approved vehicles. It is the sole responsibility of the user of these devices to ensure compliance.
- DO NOT connect this device to a strobe power supply. This product is self-contained and does not require an external power supply.

## INSTALLATION:

- 1) Fasten metal bracket to light as shown at left. Note sequence of hardware: washer, lock washer, screw.
- 2) Make electrical connections following the instructions for the R4 Series 4" Round Light.
- 3) Insert light with bracket attached into recess in front bumper of Dodge Charger and align studs with holes making sure the "TOP" on lens is on top side of light.
- 4) Install large (fender) washers and nylon lock nut on studs and tighten. Do not overtighten as this may damage the bumper of the car.
