

nFORCE LED Rear Deck Interior Lightbar
2013-2019 Ford Fusion

⚠ WARNING

- HIGH CURRENT interconnects must be properly terminated. Poor crimp quality can cause heat build-up and fire. Follow crimp connector manufacturer instructions.
- DO NOT install this product or route any wires in the Air Bag Deployment Zone. Refer to vehicle Owner's Manual for deployment zones.
- Do NOT use system to disconnect headlights, brake lights or other safety equipment.
- Unit may become hot to touch during normal operation.
- Failure to properly install connectors, fuses or wiring may cause vehicle failure or fire.
- Installation must only be performed by trained technician. Installer must determine vehicle wiring configuration and proper integration of system.
- Use proper wire gauge. All power wires connecting to positive (+) or negative (-) battery terminal or local chassis ground (-) must be sized to supply at least 125% of max. current and properly fused at power source.
- Install protective grommets when routing wire through firewall or metal.

INSTALLATION:

1. Attach rubber gasket to metal edge of the shroud to seal to rear window.
2. Place shroud on rear deck and press the assembly to the rear window.
3. Remove childseat restraint covers and place bracket into the restraint slot. The bracket will snap into the restraint, then rotate until flat on rear deck.
4. Attach brackets to metal shroud with supplied fasteners.

OPERATION:

SEE 'ELECTRICAL INSTALLATION' SECTION OF THE nFORCE LED INTERIOR LIGHTBAR INSTALLATION PACKET.

⚠ WARNING

This product contains high intensity LED devices. To prevent eye damage, DO NOT stare into the light beam at close range.

NOTICE:

Installers and users must comply with all applicable federal, state and local laws regarding use and installation of warning devices.

Improper use or installation may void warranty coverage.
